

Bradwell Historical Society

Financial Report November 2022

Andy Smith 8 Nov 2022

Membership

We have 53 members (see accompanying list) which I believe is a record. I think this is a result of new people moving into the village, the website and the newsletters.

Accounts

See accompanying document. In No. 1 account we began the year with £2663.87 (£2549.61 in bank +£114.26 cash). We now have £3155.57 (£2785.81 in bank +£369.76 cash), an increase of £491.70. We still have to pay the hall hire charge of £300 but we are still in a satisfactory position financially, which is due to a combination of the increased membership and no expensive speakers this year.

The No. 2 (Projects) account, which has £3135.14, has not been used this year.
